## Press Release

July 21, 2013

### **Biogas & Electric Files Another Patent Application With The USPTO**

Following the successful full scale demonstration project, Biogas & Electric has increased its intellectual property portfolio by protecting patentable features of **NOxRx**®.

US Patent #8,012,746 has been issued to the company, and several international patents are pending.

Wilson, Sonsini, Goodrich & Rosati was contracted by the company to prepare and file the most recent patent application.
