## Press Release

May 15, 2013

### **Biogas & Electric Awarded Phase I SBIR Grant**

Biogas & Electric was awarded a Phase I SBIR grant from USDA/NIFA titled: "A Low Cost Method of Producing Liquid Organic Fertilizer from Animal Manure"

The goal of the research is to develop a low cost method of recovering nutrients from a dairy's waste stream.

The research will be performed at Biogas & Electric's lab facilities in San Diego. This award is the third SBIR grant awarded to the company.
